Dear Mr. Cretzianu:

Since your recent visit to me I have been in touch with the Honorable Adolph A. Berle, Jr. regarding the contents of your letter to me of March 10th. Mr. Berle tells me that in the hearing before the House Subcommittee No. 1 of the Committee of the Judiciary in connection with the Malaxa visa case he did not claim to represent the National Committee for a Free Europe and, from subsequent conversations with the people at the hearing, no one so understood.

It is not the policy of NCFE to take sides in these matters and the questions seem to be one that should be left to the Subcommittee. It is of course the policy of NCFE to help to bring about the greatest attainable degree of unity between all groups in the interest of the restoration of Rumania.

Very truly yours

(ss) Joseph C. Grew
